The price of a season ticket includes programme booklets for each of the relevant concerts; please show your season ticket when collecting your programme. It also includes HADOS newsletters for the whole season. These are normally published about a week before each concert. To avoid delays and high postage costs, the newsletter is normally sent out by email as a small attached PDF file, which can either be viewed online or printed on your own printer. If you give an email address, this option will be assumed unless you state otherwise. Another version of the newsletter is also provided on the Havant Orchestras website, although this sometimes omits information which is mainly intended only for society members. If really necessary a printed newsletter can be sent by post (one copy per household). If this option is required, please enter "Yes" against "Printed Newsletter?" on the form.

Note on HADOS membership

Each season ticket holder is normally automatically entitled to be a voting member of the Havant and District Orchestral Society (HADOS), with the rights for example to attend general meetings and take part in member votes. However, some people are not legally eligible to be members of the society, such as anyone who is paid by the society for any services during the season (including any paid players), and some others may wish to decline membership for other reasons. If either of those cases applies, please write "No" against "Membership required" on the application form.

The Havant Orchestras – Data Protection for Season Ticket Holders

The General Data Protection Regulations are in force from 25th May 2018. Please read these details of how and why Havant and District Orchestral Society collect, store and use your data. We believe that our limited use of your data is in our 'legitimate interest' and does not require your formal consent. If you have any questions, please contact the Tickets Secretary or Administrator – contact details below.

What data do we hold on Season Ticket Holders?

We store the information provided on the Booking Form plus allocated seat numbers.

How do we store it?

The information is kept by the Tickets Secretary and the Administrator, using computers with passwords required for access, and using Google Drive to provide a 'Cloud' back-up storage, which is also protected by passwords for access so that only current committee members can access the data.

The completed paper application forms are also retained, by the Tickets Secretary.

At the end of each calendar year [i.e. December] we delete details of all STH's for the previous season [September to July], also discarding that season's application forms.

What do we use it for?

We need the data as a basis for the issue and administration of Season Tickets, distribution of our Newsletters, communication with Season Ticket Holders should that need arise, and to identify members of the society for administrative purposes.

Do we share your data with anyone else?

- We will never give your data to third parties for that third party to use.
- We will sometime use third party services (e.g. Google Drive) to store or process your data. We will always make that they are reputable and secure, and that your data is kept safe.
- If another Season Ticket Holder or member of HADOS asks for your contact details we will only ever share them if you consent.

What happens to emails between me and HADOS?

The Tickets Secretary's emails to and from Season Tickets Holders are deleted after 36 months or less.

What can you ask us to do?

At any time you can ask to view, update or correct any data we hold on you. You can also ask that we stop using your data or that we erase it. To request any of these, please contact the Tickets Secretary by email at tickets.havantorchestras@gmail.com or phone **01489 877497**, or the Administrator at havantorchestras@gmail.com or phone **02380 261372**, who will respond within one month.
